### BECOMING A RIGHTS RESPECTING SCHOOL

As you know we are working towards becoming a Rights Respecting School. We started the year with all classes thinking about the UNCRC and which rights they want to concentrate on. All classes have drawn up class charters which are now up on display in the classroom to help them remember their rights. Our team have been busy planning how to teach everyone about the rights of a child. We have decided to focus on one right every half term as a whole school. This term we are concentrating on Article 28 - "All children have the right to an education". We will be having many assemblies about this right and thinking about what education means to us. We will also be thinking about children in other countries who do not have a good quality education.

The Rights Ambassadors Team

If you took your child's medication home in July, please return it to Maria as soon as possible please.

Thank you.

Application forms for September 2018/19 Nursery intake are now available from the office. The closing date is 26<sup>th</sup> January 2018.
