## FRIDAY 8<sup>TH</sup> SEPTEMBER 2017

Being on time.....

It is important not only for your child but also for all the other children in their class.

### Welcome back everyone!

I hope you have all had a great break and getting up this week has not been too much of a challenge!

It is always lovely to see everyone as they return.

We are starting the year in a great position - we are above national standards at EYFS, KS1 and KS2 in all subjects. A great achievement for all the children, staff and families. This also shows a great sense of teamwork between home and school in the drive to support our children to achieve their best.

Our year 5's also have 71% of the cohort attaining the top 2 bands for secondary school (highest ever for us)

We look forward to another great year 2017/18. Joanne.

*Whoopee.....*

*Attendance was 96% for last year, let's see if we can do even better this year.*

Just a few reminders.....

- Please make sure you supervise your children on the climbing frame BEFORE and AFTER school.
- Call school as soon as you know your child will not be in.
- Check your e-mails for the newsletter each week - it will also be on the website.

Sally Mannan, from Birbeck College, is conducting research for the Department of Psychological Sciences, to investigate how parents cope with the demands of family life, work and relationships. The focus is very much on families' wellbeing and support of that. She would like to invite parents from our school to get involved. They would like parents to fill out a short online survey (contact Sally for more information).

If you have any queries about the research, please do not hesitate to contact Sally on 07754 005261 or email at [smannan01@mail.bbk.ac.uk](mailto:smannan01@mail.bbk.ac.uk).

## PRIORITIES FOR THIS YEAR

### Curriculum: (Teaching & Learning)

Science

Spelling

So watch out for how you a help your children with these areas.

### Outcomes for the children:

Focus on attainment for children entitled to Pupil Premium and those who are "persistently absent" from school.

### PERSONAL DEVELOPMENT - BEHAVIOUR & WELFARE

We are working towards becoming a "Rights Respecting School" which is a Unicef/UN recognition.

### LEADERSHIP & MANAGEMENT

Looking after the well being of Children, ourselves and each other.

### Engage to Compete

For the second year running, Malmesbury was awarded the "Commitment to P.E. and Sport" award, by engaging children and young people through in school, after school and holiday activities and we were lucky enough to receive £500 worth of equipment.

The P.E team raised the grand total of £601.84 through selling framed photos of our Sports Day event. The cash raised went into our School Fund account.
